Hello Dr. Moje,

The Board reviewed your request (copied below) to add the International Board of Chiropractic Neurology to its rule and did in fact add the credential to the rule.

(5) A licensee with one or more of the following current credentials is exempt from the provisions of paragraph (B)(4) of this rule and may assess and/or grant a clearance to return to play to a youth sports participant:

(a) Diplomate in chiropractic neurology recognized by the american chiropractic neurology board or the international board of chiropractic neurology;

Kelly Caudill

Executive Director

Ohio State Chiropractic Board

“Every person needs to take one day away. A day in which one consciously separates the past from the future. Jobs, family, employers, and friends can exist one day without any one of us, and if our egos permit us to confess, they could exist eternally in our absence. Each person deserves a day away in which no problems are confronted, no solutions searched for. Each of us needs to withdraw from the cares which will not withdraw from us.”
