IACN Update

IACN 2017 Fellow & Diplomate Membership Dues Reduced

Computers are wonderful, and they do what they are told. However, while your Board of Directors were voting to LOWER IACN DUES for 2017, the computer did its job and sent the invoices to existing members, based on the 2016 membership fee of \$375 (instead of the new 2017 fee of \$275).

Dues were lowered in light of continued growth and a strong showing at the 2016 IACN Symposium. The IACN carries no debt and is operating completely "in black ink". Further, the IACN has sufficient funds and

International Board of Chiropractic Neurology (IBCN)

On behalf of the IBCN, Dr. Jason Evans, Dr. Lisa Bloom, Dr. Gordon Staff, Dr. Bud Chaney and Dr. Paul Dickerson, the IBCN extends well wishes to members of the Academy and others.

Diplomate examinations in chiropractic neurology were held in conjunction with the 2016 IACN Symposium at Palmer College in Port Orange, Florida.

The following candidates have successfully completed both the written and practical portions of the Diplomate Examination.

CONGRATULATIONS & WELCOME NEW NEUROLOGY DIPLOMATES

Dr. Jonathon Emlet
Dr. Michael J. Matury
Dr. William Wertman
Dr. Adam Whalen

If you are planning to take the next examination, remember that the application deadline is August 3rd (90 days prior to the symposium).

Maintaining that high degree of excellence that our members have earned and continue to expect is paramount. We therefore are working in conjunction with the IACN Board of Directors to ensure that our members have one of the best functioning and respected Diplomate Awarding Authorities in our profession.

On November 3-5, 2017 at the "World's Most Famous Beach", Daytona Beach Florida.

In fact, you have NO EXCUSE for forgetting the date, since the IACN Symposium will ALWAYS be held on the first weekend in November and will ALWAYS be located in Florida.

The IACN will likely add NEW SEMINAR LOCATIONS for a 2nd opportunity to catch some advanced hours (by the way, the education committee needs another member)... so please send us your suggestion. So far, Denver Colorado (or mountains nearby) in July is in the lead!

2016 IACN Symposium was the largest in IACN History, boasting over 130 participants including IACN members and non-members alike.

You will be receiving more information about this years classes as we finalize specifics. You will still be able to register for all IACN events online and IACN members will receive a substantial discount on class tuition.

IACN Congratulates Our Newest Fellows.

Fellowship is awarded upon merits considered by the IACN Board of Directors. Per IACN Bylaws Article III Section A. Part 2, our new Fellows have demonstrated their interest in clinical practice, teaching or research, have been an IACN member for multiple years, and have offered outstanding service and support of the IACN. Dual boarding (IBCN & IBE) is a "fast track" to fellowship.

IACN - Your Advocate!

State Licensing Boards Need A Reason: Time to SPEAK UP.

Please contact the IACN immediately if you know of, or practice in a state where the chiropractic examining board restricts your neurology credential in favor of any other neurology credential. We are currently looking at activities in the state of Wisconsin. If you have a license to practice in Wisconsin, please notify the IACN.
